Dumb

Nirvana

I'm not like them but I can pretend
The sun is gone but I have a light
The day is done but I'm having fun
I think I'm dumb or maybe I'm just happy
I think I'm just happy
I think I'm just happy
I think I'm just happyMy heart is broke but I have some glue
Help me inhale and mend it with you
We'll float around and hang out on clouds
Then we'll come down and have a hangover
We'll have a hangover
We'll have a hangover
We'll have a hangover
Skin the sun, fall asleep
Wish away, soul is cheap
Lesson learned, wish me luck
Soothe the burn, wake me upI'm not like them but I can pretend
The sun is gone but I have a light
The day is done but I'm having fun
I think I'm dumb or maybe I'm just happy
I think I'm just happy
I think I'm just happy
I think I'm just happy
I think I'm dumb
I think I'm dumb
I think I'm dumb
I think I'm dumb
I think I'm dumb
I think I'm dumb
I think I'm dumb
I think I'm dumb
I think I'm dumb
I think I'm dumb
I think I'm dumb
I think I'm dumb
