Rollercoaster

Jonas Brothers

Nights flying down 10, nearly 2 AM
Happiness begins
Days lifted in haze, we were just a phaseWe were just pretend (Just pretend)I remember no lows and highs
We threw our hands up, palms out to the skiesIt was fun when we were young and now we're older
Those days when we were broke in California
We were up-and-down and barely made it over
But I'd go back and ride that roller coaster
It was fun when we were young and now we're older
Those days around the world, they seem to glow now
We were up-and-down and barely made it over
But I'd go back and ride that roller coaster with you
Woo-ooh-ooh-ooh
Woo-ooh-ooh-ooh
Woo-ooh-ooh-ooh
But I'd come back and ride that roller coasterFace led me to the clouds, reaching for the ground
His life was upside down
Now everything's changed, we found better days
But I still hear the soundI remember no lows and highs
We threw our hands up, palms out to the skiesIt was fun when we were young and now we're older
Those days when we were broke in California
We were up-and-down and barely made it over
But I'd go back and ride that roller coaster
It was fun when we were young and now we're older (Oh)
Those days around the world, they seem to glow now (Yeah)
We were up-and-down and barely made it over
But I'd go back and ride that roller coaster with you
Woo-ooh-ooh-ooh (Yeah, with you)
Woo-ooh-ooh-ooh (With you, with you)
Woo-ooh-ooh-ooh (Oh)
But I'd come back and ride that roller coasterIt was fun when we were young and now we're older
Those days around the world, they seem to glow now
We were up-and-down and barely made it over
But I'd go back and ride that roller coasterNights flying down 10, nearly 2 AM
