## Paradiso Girls

Let's go!  
Hey, what's happenin'?  
We drinkin' tonight, girl?  
Drinkin' tonight with me, boy?  
Put your drinks up! Hey yo, who wanna get fucked up?  
Go and get a drink, get your hands on the cup  
How many rounds 'til you can't stand up?  
Me and my girls 'bout to tear the club up, listen up Hey girl, where's your drink? We goin' all  
get real drunk tonight  
Hey girl, I got bud, we can all get fucked up tonight  
And by the end of the night I'mma have you drunk and throwin' up  
And by the end of the night I'mma have you so fucked up  
He said, "What you drinkin'? Let me buy you a couple of rounds"  
And I said, "What you thinkin'? I ain't the type of girl to get down  
But I can party with you and bring my girls aside  
Tell the bartender, bring the ice and let 'em know" I'm on Patron tequila, I'm drunk on margarita  
That Patron tequila, me and my mamacita Hey girl, where's your drink? We goin' all get real  
drunk tonight  
Hey girl, I got bud, we can all get fucked up tonight  
And by the end of the night I'mma have you drunk and throwin' up  
And by the end of the night I'mma have you so fucked up And now the party heated 'cause I got  
a hot girl in the club  
I'm feelin' so conceited 'cause everybody is giving me love  
But hold up, wait a minute 'cause my cup is going empty  
I need someone to refill me, I'm tryin' to get drunk  
(Me too!) I'm on Patron tequila, I'm drunk on margarita  
That Patron tequila, me and my mamacita  
Hey girl, where's your drink? We goin' all get real drunk tonight

And by the end of the night I'mma have you drunk and throwin' up  
And by the end of the night I'mma have you so fucked up Hey yo, look at them my ladies, look  
at them legs  
Hips and lips, isn't it amazin'?
