

# Something So Right

Paul Simon

You've got the cool water  
When the fever runs high  
You've got the look of lovelight in your eyes  
And I was in crazy motion  
'til you calmed me down  
It took a little time  
But you calmed me down  
When something goes wrong  
I'm the first to admit it  
I'm the first to admit it  
And the last one to know  
When something goes right  
Well it's likely to lose me, mm  
It's apt to confuse me  
It's such an unusual sight  
Oh, I can't, I can't get used to something so right  
Something so right  
They've got a wall in china  
It's a thousand miles long  
To keep out the foreigners they made it strong  
And I've got a wall around me  
That you can't even see  
It took a little time  
To get next to me  
When something goes wrong  
I'm the first to admit it  
I'm the first to admit it  
And the last one to know  
When something goes right  
Well it's likely to lose me, mm  
It's apt to confuse me  
Because it's such an unusual sight  
Oh, I can't, I can't get used to something so right  
Something so right  
Some people never say the words "i love you"  
It's not their style  
To be so bold  
Some people never say the words "i love you"  
But like a child they're longing to be told, mm  
When something goes wrong  
I'm the first to admit it  
I'm the first to admit it  
And the last one to know  
When something goes right  
Well it's likely to lose me, mm  
It's apt to confuse me

Because it's such an unusual sight  
I swear, I can't, I can't get used to something so right  
Something so right
