

# Change of Heart

## Classics IV

I never planned to fall in love  
I told her from the start  
But she had that look in her eye  
And I had a change of heart I tried my best to say good bye  
But every time I'd start  
She'd get that look in her eye  
And I'd have a change of heart I knew that she was changing me  
But I never realized  
That I was leanin' on her, dependent on her  
And seemed to my surprise  
One day she found somebody new  
And tore my world apart  
Now I say a prayer every night  
That she'll have a change of heart I knew that she was changing me  
But I never realized  
That I was leanin' on her, dependent on her  
And seemed to my surprise  
One day she found somebody new  
And tore my world apart  
Now I say a prayer every night  
That she'll have a change of heart
