

# Mr. Blue Sky

## Electric Light Orchestra

Sun is shining in the sky  
There ain't a cloud in sight  
It's stopped raining everybody's in a play  
And don't you know  
It's a beautiful new day  
Hey, heyRunning down the avenue  
See how the sun shines brightly in the city  
On the streets where once was pity  
Mister blue sky is living here today  
Hey, heyMister blue sky please tell us why  
You had to hide away for so long (so long)  
Where did we go wrong?  
Mister blue sky please tell us why  
You had to hide away for so long (so long)  
Where did we go wrong?Hey you with the pretty face  
Welcome to the human race  
A celebration, mister blue sky's up there waiting  
And today is the day we've waited forMister blue sky please tell us why  
You had to hide away for so long (so long)  
Where did we go wrong?Hey there mister blue  
We're so pleased to be with you  
Look around see what you do  
Everybody smiles at youHey there mister blue  
We're so pleased to be with you  
Look around see what you do  
Everybody smiles at you  
Mister blue, you did it right  
But soon comes mister night creeping over  
Now his hand is on your shoulder  
Never mind I'll remember you this  
I'll remember you this  
I'll remember you this wayMister blue sky please tell us why  
You had to hide away for so long (so long)  
Where did we go wrong?Hey there Mister blue  
We're so pleased to be with you  
Look around see what you do  
Everybody smiles at youBa ba ba ba ba ba ba ba  
Ba ba ba ba ba ba ba ba ba ba
