

Pride's Cloak (feat. Thonio)

The Doppelgangaz

[Verse 1: EP]

He don't trust stats, disproportionate map info
She's got a rack with unfortunate fat distro
Gangaz had to get low and stack just to get more
Though many claim, they're in Penny Lane down in Gitmo
Oh, left a deposit with the broker
A closet smoker, on The Book, said I should I poke her
A real joker, he'll cop a tonic if you linger
Or pop and stroke her, with the cyanotic finger
Ooh, it's by habit and inherently
Ooh, treats all his wounds with maggot therapy
Dude, the shits too compelling he'll take a screenshot
A known felon, into reselling with a Supreme bot
He seen pop at Loews copping a backsaw
Dapped him up, hand got cut, homie got cat claws
Left in awe from his paws, ain't no need to lie
Carolina style slaw with the Frito pie

[Hook]

Shame is pride's cloak Shame is pride's cloak

Shame is pride's cloak Shame is pride's cloak
Shame is pride's cloak Shame is pride's cloak [Verse 2: Matter ov Fact]

Ayo my shorty trains BJJ on all the weekdays
She'll make a nigga tap out from just a bj
Her sparring partner hit me on the 3 way
Neat-o now what's the stats for the night like I was EJ, hey
A couple shorties wearing stocking caps, flocking Matt
Zero place to get it popping at
Y'all could lay your heads up where my pillows at
But first I gotta find a one bedroom on my Zillow app
This for my Gangaz in they momma's home, camping out
Bank accounts never no commas shown
Gangaz sitting on bricks Yokohamas gone
Tireless, Assurance Wireless Obama phones
Blowing skama and they're drama prone
Steady boozing and using the wrong homophones
They'll pour you one if you decide to ask
Known to stash Teddy Bruschi's in a Hydro Flask

[Hook]
