

# Just Imagine (feat. KING)

Eric Roberson

Good morning lover, let's try something new  
Let's go discover more 'bout me and you  
(Taking the day)  
To fall in love again  
Let's go outside and watch the people move (people move)  
Or we'll do anything you wanna do  
(Just lead the way)  
Let's go out and play (play)I've been thinking  
(I've been thinking love)  
We could sink in  
(fall so deep in love)  
We could spend the day falling in love  
Just imagine  
(just imagine love)  
What would happen  
(what would happen to us)  
If we could spend the day falling in love  
We'll greet the sunlight in the afternoon  
And kiss the moonlight when the night comes through  
(The perfect day) to fall in love again  
And if you're happy you can stay with me  
We'll watch each sunset for eternity  
(Look to the sun)  
Won't you stay (stay)I've been thinking  
(I've been thinking love)  
We could sink in  
(fall so deep in love)  
We could spend the day falling in love  
Just imagine  
(just imagine love)  
What would happen  
(what would happen to us)  
If we could spend the day falling in love  
I've been thinking  
We could sink in  
We could spend the day falling in love  
(Wanna fall in love with you)  
Just imagine...  
Good morning lover, let's try something new  
Let's go exploring more 'bout me and you  
If we could spend the day falling in love  
(Wanna fall in love with you)

Let's go outside and watch the people move  
Or we'll do anything you wanna do  
(Wanna fall in love with you)  
We could spend the day falling in love
