

# Black Magic

Jarvis Cocker

I woke up in the morning  
and all the bells were ringing  
My eyes could see the glory  
Baby Could hear the song they're singing  
You only get to see the light  
just one time in your life  
Oh, black magic  
that blows your mind away  
and takes you somewhere that you wanna stay  
You only get to stay one day  
Oh, that cold black magic  
Is there anything more wretched  
than to just have caught one sight?  
The eyes that saw the glory have been  
have been blinded by the light And it's the true believers that crash and burn  
But there ain't no way I'm ever gonna learn  
Black magic  
that blows your mind away  
and takes you somewhere that you wanna stay  
Oh, you only get to stay one day  
Oh, that cold black magic  
Ow  
We can't escape; we're born to die  
But I'm gonna give it a real good try  
because nothing comes close and nothing can compare  
to black magic  
Yeah yeah yeah Black magic  
Yeah yeah yeah
