

# Brown Eyes

## Lady Gaga

In your brown eyes, walked away  
In your brown eyes, couldn't stay  
In your brown eyes, you watch her go  
And turn the record on  
And wonder what went wrong  
What went wrong If everything was everything  
But everything is over  
Everything could be everything  
If only we were older  
Guess it's just a silly song about you  
And how I lost you  
And your brown eyes  
In your brown eyes, I was feeling low  
Cause they're brown eyes and you never know  
Got some brown eyes, but a soft face  
I knew that it was wrong  
So baby, turn the record on  
Play that song Where everything was everything  
But everything is over  
Everything could be everything  
If only we were older  
I guess its just a silly song about you  
And how I lost you  
And your brown eyes Brown eyes  
Everything was everything  
But baby it's the last show  
Everything could be everything  
But it's time to say goodbye so  
Get your last fix, and your last hit  
Grab your old girl with her new tricks  
Honey yeah, it's no surprise  
I got lost in your brown eyes  
In your brown eyes  
Brown, brown eyes  
Your brown eyes  
Brown, brown eyes  
Got some brown eyes  
Brown, brown eyes  
Your brown eyes
