

# Shooting the Moon

## OK Go

all of the astronauts  
champagne in plastic cups  
waiting for the big hero to show  
outside the door, he stands his head in his hands  
and his heart in his throat  
what can he tell em now?  
sorry, i let you down? sorry, it wasn't quite the truth?  
but don't get hung up on it  
just soldier on with it  
and good luck with shooting the moon (shooting the moon)  
(shooting the moon)  
(the moo-oo-oon)  
(shooting the moon)...  
all of the principals  
generals, admirals  
and the podium lit with the spotlight  
the crowd buzzes quietly  
waiting expectantly  
like it's opening night  
what can he tell em now?  
sorry, i let you down?  
sorry, it wasn't quite the truth?  
but don't get hung up on it  
just soldier on with it  
and good luck with shooting the moon  
(shooting the moon)  
(shooting the moon)  
(the moo-oo-oon)  
(shooting the moon)  
...
