Aye its 4 8, don't make me wait
Life too short not to fuck on first date
Used to do my thang in the motherfucking streets
I been hood rich, way before i touched the beat
Your bitches love me now, cause I got money now
She ain't wanna fuck me back, then she wanna fuck me now

I just fucked yo bitch, it's getting bad huh
It was first pass, I'm on my second pass
I'm in that coup switching lane moving real fast
She wanna fuck with me, I tell her hop in
I'm from the mid-town but we start trends
Oh you fly yea, no you a lie yea
Say you a G but you don't never come outside yea

Oh that's your ride yea, that thing tired yea
Don't go to sleep them dollars always on my mind yea
Oh you the shit yea, a boss bitch yea
Buy your own drink, pay your own rent yea
Them niggas hatin' yea, them bitches fakin' yea
And if you frontin' fuck nigga we gon' take it there
Oh you a freak yea, that pussy deep yea
You know how to get your money in the streets yea
Put me to sleep yea, gon' take this meat ye
Don't tell my bitch, we always keep it on a creep yea
