

Pee in the Shower

Guttermouth

I'm not
who you think i am
and i think you could
use a head exam
and i know
i'm not always right
but how can we make babies
if you won't spend the night
Just because i live like an animal
who smells like a petting zoo
sometimes i go pee in the shower
does not mean i don't love you
not me, not me, n-n-no, not me, not me
Maybe
all your friends were right
one look at me
no more appetite
and maybe
you'd give me a chance
i'd take you out to dinner
but i can't find my pants
Just because i live like an animal
who smells like a petting zoo
sometimes i go pee in the shower
does not mean i don't love you
not me, not me, n-n-no, not me, not me
n-n-no
Nobody knows
nobody knows
Just because i live like an animal
who smells like a petting zoo
sometimes i go pee in the shower
does not mean i don't love you
Just because i live like an animal
who smells like a petting zoo
sometimes i go pee in the shower
does not mean i don't love you
love you
love you
love you
