

Benihana (feat. Kodak Black)

Lil Durk

[Intro: Kodak Black]

Big Ze shit

Zone 6, no hoe shit

Zeze up 'till I freeze up

DJ on the beat, so it's a banger! [Verse 1: Kodak Black]

Money hungry, I went to Benihana

Ordered up a Bentley with ride in front of it

I'm a brilliant youngin', I'm out here road running

I went to Benihana's, I told 'em no onion

I be thugging by myself, I never need nobody

I'ma [?] molly got me creeping through sideways

Go and ask the skreets about me, fuck what all the blogs say, baby

Jumping out with that woolie right in broad day, baby

[Chorus: Lil Durk]

I was raised by myself, I don't need god

I was trapping by myself in my Levi's

So up 4, I ain't broke my heart

Yeah, they gon' shoot

This, what they do

Hang out that roof

Fuck everybody, that's my mood [Verse 2: Lil Durk]

Bro went to [?] with a Mac on him

2K for the jeans with the patch on it

I was done with the Act, now I'm back on it

Don't sub-tweet, just @ homie

Yeah, snitch [?]

Bad bitch give me a massage

Lil' scammer, swipe your card

Keep hammers, I'm livin' large

My heart is full of scars

Yeah, yeah, yeah, yeah, yeah

[Bridge: Lil Durk]

I had dreams of being rich as hell

Confused when you talk, ain't [?] tell [Verse 3: Lil Durk]

I'ma go trap with a digital scale

I'ma talk pounds when they get through the mail

Nigga might tell you not for the jail

How you gon' feel when a nigga get killed?

First time, countin' a mill' got chills

Back then, eatin' meals on wheels

Die for the gang 'cause I know I will

Made it out with no ideal

Shorties got all on in that club dark 'cause they better not [?]
Shawty name never in that stuff, he don't never go IG
Niggas always talking too tough, nigga, what it is
And I scream,
