

I never go girl
Cause when you surfing in my bed
I'll be like go girl
Ooh girl
I need it
Ooh girl
Got me feening I-I-I-I-I-I wanna ride-ide-ide-ide-ide
(All aboard)
I-I-I-I-I-I wanna ride-ide-ide-ide-ide
Up and down like a zipper
Zipper, zipper, zipper, zipper, zipper, zipper, zipper, zipper
Up and down like a zipper
Zipper, zipper, zipper, zipper, zipper, zipper, zipper, zipper Up and down
Up and down
