

# Can We Talk

Tevin Campbell

Last night I  
I saw you standing  
and I started, started pretending  
I knew you and you knew me too  
And just like a roni  
You were too shy  
But you weren't the only 'cause so was I  
And I've dreamed of you ever since  
Now I've built up my confidence  
The next, next time you come my way  
I'll know just what to say Can we talk for a minute  
Girl I want to know your name  
Can we talk for a minute  
Girl I want to know your name  
I started to write you letters  
But I wanted to be more clever  
I wanted to get down and sweet talk you  
Hey baby  
But just like a baby  
I could not talk  
And I tried to come closer  
But could not walk  
And I think of it every night  
How I just could not get it right  
Oh if we ever come close again  
I know what I'll say then yeah Can we talk for a minute  
Girl I want to know your name  
Can we talk for a minute  
Girl I want to know your name  
Oh girl, one more chance  
With you again  
I will not let it go Oh please, give me just one more chance for love  
Love, love, love Can we talk for a minute  
Girl I want to know your name  
Can we talk for a minute  
Girl I want to know your name Oh baby baby baby Come on talk to me baby  
Come on and talk to me baby  
Said I wanna, I wanna know  
I wanna know your name  
Can we talk for a minute  
Come on and talk to me baby  
Come on baby, come on baby

Yeeeeaaaaaaaaah  
I said can we talk for a minute  
Come on and talk to me baby  
See I wanna know  
You better tell me your name baby  
I said talk to me for a minute  
Come on and talk for a minute  
I wanna know  
I wanna know  
I wanna know your name  
Talk to me for a minute  
Come on and talk for a minute  
Come on  
Come on  
Come on and talk to me yeah
