

What a Feeling (feat. Kelly Rowland)

[Alex Gaudino](#)

I, I wasn't even searching for love
That's usually right when it creeps up on you
And I know, in my heart it's true
Oh yeah? Boy you got my attention, what's up?
My heart is beating
Your screaming got me open so much
I think I'm dreaming
Got my hands way up
I surrender to love
To let it all go
I'm losing control
Feels like I'm on top of the world
I used to think I'd never fall in love
It's like my favorite star
I used to stare at every night
Came down from the sky
Oh yeah? When I love the way you touch
My heart is beating
Boy I just can't get enough
You got my speechless
Got my hands way up
I surrender to love
To let it all go
I'm losing control
Feels like I'm on top of the world
