

Bye Bye

[Phil Vassar](#)

Girl you sure look pretty there standin' in the doorway in the sunset light
Maybe I read you wrong thinkin' I could be your Mr. Right
I was puttin' my heart and soul on the line
Said you needed some time, just a little more time to make up your mind
Well it's been long enough
Time is up Bye bye love, I'll catch you later
Got a lead foot down on my accelerator and the rearview mirror torn off
I ain't never lookin' back. And that's a fact.
I've tried all I can imagine
I've begged and pleaded in true lover's fashion
I've got pride, I'm takin' it for a ride
Bye bye, bye bye my baby, bye bye
Don't think all those tears are gonna hold me here like they've done before
You'll see what's left of us in a cloud of dust on Highway 4
Darling what did you expect me to do
Sit around and wait on you
I'm through watchin' you just skate around the truth
And I know it sounds trite
But I've seen the light Bye bye love, I'll catch you later
Got a lead foot down on my accelerator and the rearview mirror torn off
I ain't never lookin' back, that's a fact.
I've tried all I can imagine
I've begged and pleaded in true lover's fashion
I've got pride, I'm takin' it for a ride
Bye bye, bye bye my baby, bye bye
I'd lost the game I guess
I did my best to win the part
Now I'm leavin' here with what's left of my heart.
Bye bye, I'll catch you later
Got a lead foot down on my accelerator and the rearview mirror torn off
I ain't never lookin' back.
You can count on that.
I've tried all I can imagine
I've begged and pleaded in true lover's fashion
I've got pride, I'm takin' it for a ride
Bye bye, bye bye my baby, bye bye Bye bye
Ooh baby
Oh oh
Bye bye, bye bye my baby, bye bye
