

# High Top Shoes

JoJo Siwa

I got a way of making every day the way I like it  
I wake up saying every day's another chance to rock it  
I, I, I... I hear the beat, so drop it  
I, I, I... Cause there's no way to stop it I love the way we never stressin' bout a look, we got it  
We always dressin' up, it's better with some glitter on it  
I, I, I... I know just where I'm goin'  
I, I, I... The only way is knowin' I'm never givin' up  
Not gonna change it up  
Just gonna lace 'em up  
My high top shoes!  
Make me do what I do  
Put me in a good mood  
Make me think about you  
My high top shoes!  
Make me do what I do  
Put me in a good mood  
They make me think about you  
In my high top shoes!(Na na na na na na na, na na na na na na)  
My-my-my high top shoes!  
(Na na na na na na na, na na na na na na)I like the way I'm walking taller now the day is callin'  
It's like I'm 2 feet off the ground and there's no way I'm fallin'  
I, I, I... I know just where I'm goin'  
I, I, I... The only way is knowin'  
I'm never givin' up  
Not gonna change it up  
Just gonna lace 'em up My high top shoes!  
Make me do what I do  
Put me in a good mood  
Make me think about you  
My high top shoes!  
Make me do what I do  
Put me in a good mood  
They make me think about you  
In my high top shoes!(Na na na na na na na, na na na na na na)  
My-my-my high top shoes!  
(Na na na na na na na, na na na na na na)High top  
I gotta spring in my step  
Not even breakin' a sweat  
No matter what happens next  
High top  
They go wherever I go  
We'll always be on a roll

We got that high in the soul  
Get it? Sole, huhMy high top shoes!  
Make me do what I do  
Put me in a good mood  
Make me think about you  
My high top shoes!  
Make me do what I do  
Put me in a good mood  
They make me think about you  
In my high top shoes!(Na na na na na na na, na na na na na na)  
My-my-my high top shoes!  
(Na na na na na na na, na na na na na na)My high top shoes!  
Make me do what I do  
Put me in a good mood  
They make me think about you  
In my high top shoes!(Na na na na na na na, na na na na na na)  
My-my-my high top shoes!  
(Na na na na na na na, na na na na na na)
