

Beautiful Girls

Van Halen

She was a-seaside sittin'
Just a-smokin' and a-drinkin' on ringside
On top of the world, oh yeah
She had her drink in her hand
She had her toes in the sand and whoa! Ha, ha
What a beautiful girl, ah yeah What a sweet talkin' honey with a little bit o' money
She turn your head around
Creature from the sea with the looks to me
Like she like to fool around What a snappy little mammy gonna keep a pappy happy
And accompany me, to the ends of the earth, ah yeah
Ah, that's why I said Here I am, ain't no man of the world, no
All I need is a beautiful girl
Ah yeah, beautiful girls
Woo, come here, honey. Come here, come here, come here. Well, I'm a bum in the sun and I'm
havin' fun
And I know you know I got no special plans (Special plans)
All the bills are paid, I got it made in the shade
An' all I n-n-need is the woman, ha ha ha (Understand) What a sweet talkin' honey with a little
bit o' money
She turn your head around
A creature from the sea with the looks to me
Like she like to fool around Here I am, ain't no man of the world, no
All I need is a beautiful girl
Ah yeah, beautiful girl Ohh, come this way, babe.
Sit down right here.
Ooh la la!
Think I got it now.
Now I'm a-seaside sittin'
Just a-smokin' and a-drinkin', I'm ringside
On top of the world (Top of the world)
I got a drink in my hand, I got my toes in the sand
All I need, is a beautiful girl (Beautiful girl)
Oh yeah! Here I am, ain't no man of the world, no
All I need is a beautiful girl
Ah yeah! Beautiful girls Whoa! I ain't lyin' to ya!
Nothin' else I need! (Ah yeah, beautiful girls) Sit yourself on down
(Ah yeah, beautiful girls) Ow!
(Ah yeah, beautiful girls) Ow!
(Ah yeah, beautiful girls) Woo! Come here, baby. Come here. Whoa!
(Ah yeah, beautiful girls) What's your name, honey? What's your -- hey! Hey, where ya goin'?
(Ah yeah, beautiful girls) Hey! Hey, hey! Wait a minute, wait a min... ohh!
(Ah yeah, beautiful girls) I love 'em! I need 'em!

(Ah yeah, beautiful girls) Can't do without 'em, no!
(Ah yeah, beautiful girls) Ow! Ow! Ow! Ow!
(Ah yeah, beautiful girls)
(Ah yeah, beautiful girls)
(Smooch)
