

# Here's Your Sign

Bill Engvall, Jeff Foxworthy, Larry the Cable Guy & Ron White

I just hate stupid people.  
They should have to wear signs that just say I'm stupid.  
That way you wouldn't rely on them, would you?  
You wouldn't ask them anything. It would be like, "Excuse me... oops,  
never mind"  
"I didn't see your sign."  
It's like before my wife and I moved from Texas to California our house  
was full  
of boxes and there was a u-Haul truck in our driveway.  
My friend comes over and says, "Hey, You moving?"  
"Nope."  
"We just pack our stuff up once or twice a week. Just to see how many  
boxes it takes."  
"Here's your sign."  
Why can't they get the picture? Why don't they understand?  
We're not dealing with the planet of apes, we're talking about the  
modern man.  
So you people with them itsy bitsy teensie weensie tiny minds...  
Here's your sign. Here's your sign.  
A couple of months ago I went fishing with a buddy of mine, we pulled  
his boat  
into the dock, I lifted up this big 'ol stringer of bass this idiot on  
the dock  
goes, "Hey, yall catch all them fish?"  
Nope.  
"Talked 'em into giving up."  
"Here's your sign."  
I was out in the front yard with my boy the other day and he was  
playing with his little friend, and he hit his friend and I went up to  
him  
and I said "Hey, (smacks his boy), we don't hit." He looked up at me  
like, "Here's your sign, dad."  
Why can't they get the picture? Why don't they understand?  
We're not dealing with the planet of apes, we're talking about the  
modern man.  
So you people with them itsy bitsy teensie weensie tiny minds...  
Here's your sign. Here's your sign.  
I was watching one of those animal shows on the Discovery Channel, there  
was a guy  
inventing a shark bite suit. There's only one way to test that.  
"Alright Jimmy, you got that shark suit on, it looks good... They want

you to jump  
into this pool of sharks, and you tell us if it hurts when they bite  
you."

"Well alright... hold my sign, I don't wanna lose it"  
Why can't they get the picture? Why don't they understand?  
We're not dealing with the planet of apes, we're talking about the  
modern man.

So you people with them itty bitsy teensie weensie tiny minds...  
Here's your sign. Here's your sign.

Last time I was home I was driving around I had a flat tire, I pulled my  
truck into one  
of these side-of-the-road gas stations, the attendant walks out, looks  
at my truck,

looks at me, I swear to GOD he went, "Tire go flat?"  
I couldn't resist.  
I said "Nope".

"No I was driving around and those other three just swelled right up on  
me."

"Here's your sign."

Why can't they get the picture? Why don't they understand?  
We're not dealing with the planet of apes, we're talking about the  
modern man.

So you people with them itty bitsy teensie weensie tiny minds...  
People with them little bitty teenie weenie tiny mounds...  
Here's your sign.

We were trying to sell our car about a year ago, a guy come over to the  
house, drove the  
car around for about 45 minutes. We get back to the house, he gets out  
of the car, reaches down

and grabs the exhaust pipe, then goes, "Damn that's hot!"  
See...

If he'd been wearing his sign, I could have stopped him.
