That's What You Get

Paramore

No, sir
Well, I don't wanna be the blame
Not anymore
It's your turn, so take a seat
We're settling the final score
And why do we like to hurt so much?
I can't decide

You have made it harder just to go on And why? All the possibilities

Well, I was wrong

That's what you get when you let your heart win, whoaThat's what you get when you let your heart win, whoa

I drowned out all my sense with the sound of its beating And that's what you get when you let your heart win, whoa

I wonder

How am I supposed to feel?
When you're not here
'Cause I burned
Every bridge I ever built
When you were here
I still try

Holding onto silly thingsI never learn Oh, why?All the possibilities I'm sure you've heard

That's what you get when you let your heart win, whoa That's what you get when you let your heart win, whoa I drowned out all my sense with the sound of its beating That's what you get when you let your heart win, whoa

Pain, make your way to me, to me And I'll always be just so inviting If I ever start to think straight

This heart will start a riot in meLet's start, start, hey

Why do we like to hurt so much?

Oh, why do we like to hurt so much?

That's what you get when you let your heart win, whoa That's what you get when you let your heart win, whoa That's what you get when you let your heart win, whoa

Now I can't trust myself with anything but this And that's what you get when you let your heart win, whoa
