

# Moods For Moderns

## Elvis Costello & The Attractions

Moods for moderns  
Moods for moderns  
Moods for moderns  
Moods for moderns I get hit looking for a miss  
I never thought that it would come to this Moods for moderns  
Moods for moderns  
Moods for moderns  
Moods for moderns Though we may never be the same again  
I am so proud that you've been taken in vain  
What if none of your dreams come true?  
I can never run from you  
There's never been a how d'you do  
There's never been an ending  
Soon you'll belong to someone else  
And I will be your stranger just pretending Moods for moderns  
Memory lingers  
I let you into  
Foreign fingers Moods for moderns  
Moods for moderns  
Moods for moderns  
Moods for moderns I never thought that would see this day  
I never thought that I would give you away  
Moods for moderns  
Memory lingers  
I let you into  
Foreign fingers Moods for moderns  
Let them break us  
Strong and sudden  
Foreign fingers
