

# I Was Born to Love You

## Queen & Adam Lambert

I was born to love you  
with every single beat of my heart  
yes, i was born to take care of you  
every single day...

I was born to love you  
with every single beat of my heart  
yes, i was born to take care of you  
every single day of my life

You are the one for me  
i am the man for you  
you were made for me  
you're my ecstasy  
if i was give every opportunity  
i'd kill for your love

So take a chance with me  
let me romance with you  
i'm caught in a dream  
and my dream's come true  
it's so hard to believe  
this is happening to me  
an amazing feeling  
comin' through -

I was born to love you  
with every single beat of my heart  
yes, i was born to take care of you  
every single day of my life

I wanna love you  
i love every little thing about you  
i wanna love you, love you, love you  
born - to love you  
born - to love you  
yes i was born to love you  
born - to love you  
born - to love you  
every single day - of my life

An amazing feeling  
comin' through

I was born to love you  
with every single beat of my heart  
yes, i was born to take care of you  
every single day of my life  
Yes i was born to love you

every single day of my life  
Go, i love you babe  
yes, i was born to love you  
i wanna love you, love you, love you  
i wanna love you  
i get so lonely, lonely, lonely, lonely  
yeah, i want to love you  
yeah, give it to me
