## Descendents

I'm not a cool guy anymore  
as if I ever was before  
I took a look at all the signs  
then rolled it over in my mind  
the feelings I could not release  
became a bitter part of me  
what was I thinking of?  
it couldn't stay the way it was  
I looked at my reflection  
and I saw a stranger's face  
I saw where I was going a  
and I had to walk away  
I lost a girl, it's just as well  
she tried to save me from myself  
I've still got her on my mind  
tossing and turning in my bed  
but if she had stayed another week  
I would have dragged her down with me  
she took it 'til she had enough  
is that what I thought love was?  
I told her "see you later"  
But it's hard to see at all  
at the bottom of the barrel  
with your back against the wall  
I'm not a cool guy anymore  
left it behind and closed the door  
I know you can't escape the past  
now I look back and have to laugh  
I was my worst enemy  
it almost got the best of me  
what was I thinking of?  
it couldn't stay the way it was  
I looked up one day and saw it was up to me  
you can only be a victim if you admit defeat  
I looked up one day and saw it was up to me  
you can only be a victim if you admit defeat
