

# Falling (Summer Walker Remix)

## Trevor Daniel & Summer Walker

My last made me feel like I would never try again  
But when I saw you, I felt something I never felt  
Come closer, give you all my love  
If you treat me right, baby, I'll give you everything  
My last made me feel like I would never try again  
But when I saw you, I felt something I never felt  
Come closer, give you all my love  
If you treat me right, baby, I'll give you everything  
Talk to me, I need to hear you need me like I  
need ya  
Fall for me, I wanna know you feel how I feel for you, love  
Before you, baby, I was numb, tryna pay by pouring up  
Speeding fast on the run, never one to get caught up  
Now you the one that I'm calling  
Swore that I'd never forget, don't think I'm just talking  
I think I might go all in, no exceptions, girl, I need ya  
Think I'm out of my mind, cause I can't get enough  
Only one that I give my time, 'cause I got it for ya  
Might make an exception for ya, 'cause I been feeling ya  
Think I might be out of my mind, I think that you're the one  
My last made me feel like I would  
never try again  
But when I saw you, I felt something I never felt  
Come closer, give you all my love  
If you treat me right, baby, I'll give you everything  
My last made me feel like I would never try again  
But when I saw you, I felt something I never felt  
Come closer, give you all my love  
If you treat me right, baby, I'll give you everything  
I'll never give my all again  
'Cause I'm sick of falling down  
When I open up and give my trust  
They find a way to break it down  
Tell me it's alright, break me down
