We Are

Kari Jobe

Every secret, every shame Every fear, every pain

Live inside the dark

But that's not who we areWe are children of the day

So wake up sleeper, lift your head

We were meant for more than this

Fight the shadows, conquer deathMake the most of the time we have left

We are the light of the world

We are the city on a hill

We are the light of the worldAnd we gotta, we gotta, we gotta

Let the light shine

We are the light of the world

We are the city on a hill

We are the light of the world

And we gotta, we gotta, we gotta

Let the light shine

Let the light shine, let the light shineWe are called to spread the news

To tell the world the simple truth

Jesus came to save

There's freedom in His nameSo let His love break through

We are the light of the world

We are the city on a hill

We are the light of the worldAnd we gotta, we gotta, we gotta

Let the light shine

We are the light of the world

We are the city on a hill

We are the light of the world

And we gotta, we gotta, we gotta

Let the light shine

We are the light So let your light shine brighter

We are the light Jesus

You are the light We will lift You high

And shine, shine, shine

We are the light of the world

We are the city on a hill

We are the light of the world

And we gotta, we gotta, we gotta

Let the light shine

We are the light of the world

We are the city on a hill

We are the light of the world

And we gotta, we gotta, we gotta

Let the light shine
