

1st Lady

Daina

[Verse 1]

If looks could kill
Baby you'd be an AK
Shooting me down on a daily
I'll take a bullet for you baby
If love's a song
I've got it on replay
And my, party needs a DJ
So come, over to me[Pre-Chorus]
Yeah I know that you've been working
You've been working on me
And I know that you deserve it
Put your body on me
Don't want no one else to have you
'Cos you're only for me
Yeah you're only for me
Yes, you're only for me
Yeah I know that you've been working
You've been working on me
And I know that you deserve it
Put your body on me
Don't want no one to have what's made for me[Chorus]
Make me your First Lady, yeah
(You're my King, I'm your Queen
First Lady to your President)
Make me your First Lady, yeah (Oh na na, oh oh)
(One touch and I pray that it will never end)
Together we're stronger
We're fire and water
(You give me a feeling and I'm feeling you yes)
Make me your First Lady to your President

[Verse 2]

Yeah we be like the CIA
When we together, we go MIA
I wanna Rock With You, like I'm MJ
'Cos loving you is like a piece of cake baby
So tell me if you're satisfied
Just say the word then I'll be classified
'Cos I, know what you want don't have to read your mind
So come, over to me yeah[Pre-Chorus]
Yeah I know that you've been working
You've been working on me

And I know that you deserve it
Put your body on me
Don't want no one else to have you
'Cos you're only for me
Yeah you're only for me
Yes, you're only for me Yeah I know that you've been working
You've been working on me
And I know that you deserve it
Put your body on me
Don't want no one to have what's made for me [Chorus]
Make me your First Lady, yeah
(You're my King, I'm your Queen
First Lady to your President)
Make me your First Lady, yeah (Oh na na, oh oh)
(One touch and I pray that it will never end)
Together we're stronger
We're fire and water
(You give me a feeling and I'm feeling you yes)
Make me your First Lady to your President [Bridge]
I wanna be your First Lady
I wanna be yours (Wanna be, wanna be, wanna be)
I wanna be your First Lady
I wanna be yours (Be your First Lady)
I wanna be your First Lady (Oh)
I wanna be yours
Your First Lady, First Lady [Chorus]
Make me your First Lady, yeah
(You're my King, I'm your Queen
First Lady to your President)
Make me your First Lady, yeah
(One touch and I pray that it will never end)
Together we're stronger
We're fire and water
(You give me a feeling and I'm feeling you yes)
Make me your First Lady to your President
