

Just a Memory (feat. Regina Spektor)

ODESZA

I washed all the windows
Threw away the sheets that we used
All the towels are getting laundered
All our pictures in the desk drawer But I want you back
In the middle of the night
I want you back
In the middle of this fight
I never sleep
In the middle of the night
I want you back
In the middle of this fight Baby, come back and fight
Baby, come back and fight
With me
I don't do the things I used to do
I don't drink the way I used to
All your advice, I finally took it
But you're not around to see me do it But I want you back
In the middle of the night
I want you back
In the middle of this fight
I never sleep
And you've gotta get it right
I want you back
In the middle of this fight Baby, come back and fight
Baby, come back and fight
With me
I don't want us just to be a memory
Baby, come back and fight with me
I don't want us just to be a memory
Baby, come back and fight with me
I don't want us just to be a memory
Baby, come back and fight with me
I don't want us just to be a memory
Baby, come back and fight with me (I want you back) I don't want us just to be a memory
Baby, come back and fight with me
I don't want us just to be a memory
Baby, come back and fight with me (I want you back)
I don't want us just to be a memory
Baby, come back and fight with me
I don't want us just to be a memory (I want you back)
