

Queen Bee

Barbra Streisand

The Black Black Widow is sittin' in the middle
of the web it's the fly she seeks
You may be her lover but you never will recover
cuz she aint had a bite for weeks.
You think you're the same cuz you got the same name
But the widow has a mobil home.
Remember what I told you
she's got eight arms to hold ya
and she 's never gonna let you roam.
She'll tuck you into bed
Truck on your head
then she'll wrap you as a midnight snack.
So if you see a spider
don't you saddle up beside her
why you think the widow's wearing black?
Jack (ou!)The Queen bee baby
Pray that you be left on your own
uh huh
NOTHIN' SHE'LL GIVE YOU
gonna out live you
ohohohoh
but thequeen bee's never gonna be alone
uh huh...
Long before Atlantis there has been a praying mantis
and you know why he's on his knees
He may HAVE RELGION
but he's just a sittin pigeon
If a woman even starts to tease
He won't even QUIBBLE if she has a little nibble
on his neck what a way to go
Now youve gone and TORN it you 've been messin with a hornet
she's a blue blooded wasp you know
and just as you do it she'll inject you with a fluid
That you ain't even got but none
YOU'RE MEAT ON THE PLATE
not even first rate she's gonna feed you to her seventh son.JUST LIKE A Queen bee baby
Pray that you MAY be left on your own own own own own own own
NOTHIN' SHE'LL GIVE YOU
GONNA OUTLIVE YOU
HU HU HU... but the queen bee's never gonna be alone
uh huh... uh huh...So in conclusion it's an optical illusion
if you think that we're the weaker race.

Men got the muscle but the ladies got the hustle
and the truth is staring in your face. The mother bear stalks and the queen of the hawks is the
one who

brings home the bread. The lion that is reagle and the bald
headed eagle need a woman just to keep them fed. But come the
evening we're like Adam and his Eve inside the garden hear the
serpents sound. It's so frustrating when you're really into mating
and there ain't a lovin' man around.

whoEVER wrote the story.

THROW OUT THE GLORY

BRING IN THE MEN

It's so frustrating when you're really into mating
and there isn't a loving man around.

It's so frustrating when you're really into mating
and there isn't a loving man around. GIVE ME THEM AND I'LL SWING...

write me a sequel give me an equal

AH AH AH...

oh and i'll give that man

i said i'm gonna give that loving man

i said i'm gonna give that loving man

i said i'm gonna give that loving sting...Zaap!
