

# My Name Is Jack

Manfred Mann

My name is Jack and I live in the back  
Of the Greta Garbo Home  
With friends I will remember  
Wherever I may roam And my name's Jack and I live in the back  
Of the 'Greta Garbo Home for Wayward Boys and Girls'  
We all love Jack, we live in the back  
Of the 'Greta Garbo Home for Wayward Boys and Girls' There goes Fred with his hands on his  
head  
'Cause he thinks he's heard the bomb  
And here comes Superman  
Who really puts it on There's lots of fun and I love to run  
Up and down the stairs  
I make as much noise as I want  
And no one ever cares  
And my name's Jack and I live in the back  
Of the 'Greta Garbo Home for Wayward Boys and Girls'  
We all love Jack, we live in the back  
Of the 'Greta Garbo Home for Wayward Boys and Girls' There's Carl over there with his funny  
old hair  
And he's never sad at all  
And when I grow up, I want to run  
As fast as my friend Paul There's the prettiest girl in the whole wide world  
And her name is Melody Mend  
And here comes Ma with brother Tom  
Who's probably my best friend, my best friend And my name is Jack and I live in the back  
Of the 'Greta Garbo Home for Wayward Boys and Girls'  
We all love Jack, we live in the back  
Of the 'Greta Garbo Home for Wayward Boys and Girls'  
My name is Jack and I live in the back  
Of the Greta Garbo Home And my name is Jack and I live in the back  
Of the 'Greta Garbo Home for Wayward Boys and Girls'  
We all love Jack, we live in the back  
Of the 'Greta Garbo Home for Wayward Boys and Girls' My name is Jack and I live in the back  
My name is Jack and I live in the back
