

# Deliver Us (feat. Darrel Walls)

## August Alsina

Lord, deliver us  
Oh, deliver us  
Lord, deliver us  
Oh Give me the strength when I don't know what else to do  
Show me the way whenever I'm confuse (Yeah, yeah, yeah)  
Keep me straight when I refuse  
Be a light so I won't never lose (Yeah, yeah, yeah)  
Yeah, I came up in Hell  
Where you can lose your life and no one'll tell (Yeah, yeah, yeah)  
Everybody for themselves  
Only way to escape it is by yourself (Yeah, yeah, yeah)  
Had to get out my own (Lord, deliver us)  
Leave the only place I've known (Oh, deliver us, yeah, yeah, yeah)  
It was my home but I felt like I didn't belong (Lord, deliver us)  
So in the flesh I was gone, on my way, ayy, ayy (Oh, deliver us)  
People told me stay away, ayy, ayy (Lord, deliver us)  
So I did what it take (Yeah, yeah, yeah)  
Had to figure out, I made some mistakes (Lord, deliver us)  
Can't remember how I beat all them cases  
I kept on chasin'  
After my journey (After my journey)  
I was chasin' the check, I was chasin' respect (Yeah, yeah, yeah)  
Tryna provide for the team (Team)  
Who would chased me away, to stay out them streets (Lord, deliver us)  
So I stayed on the beat, I was focused  
I was grinding 'til somebody noticed (Lord, deliver us)  
And I wasn't the richest but damn sure wasn't the brokest  
I remember nights prayin' to deliver us  
Waitin' for You to deliver us (Yeah, yeah, yeah)  
Heard the preacher say You would deliver us  
Figured You were forgettin' us (Yeah, yeah, yeah)  
Heard my momma prayin' to deliver us  
Waitin' for You to deliver us (Yeah, yeah, yeah)  
Heard the preacher say You would deliver us  
Figured You were forgettin' us (Yeah, yeah, yeah) Had to fein for ourselves in the jungle  
Shoot at anything that's gon' confront you (Yeah, yeah, yeah)  
Keep your toes planted, never runnin'  
Fight for what's yours don't let no one take it from you (Yeah, yeah, yeah)  
That's the only way we know  
Whoever comes against, he gon' get this smoke (Yeah, yeah, yeah)  
Told you once and that's my word  
From Louisiana, know you heard they don't play 'round here

Crazy niggas askin' where you from if you don't stay 'round here (Yeah, yeah, yeah)  
If you visit better stay on , they don't play out here (Yeah, yeah, yeah)  
I had to lose some real niggas out here (Yeah, yeah, yeah)  
Only way I made it out here  
God had to keep some real ones around (Yeah, yeah, yeah)  
And they held me down (Deliver us), yeah (Oh, deliver us, yeah, yeah, yeah)  
That's why I hold them down (Deliver us, oh)  
I remember nights prayin' to deliver us  
Waitin' for You to deliver us (Yeah, yeah, yeah)  
Heard the preacher say You would deliver us  
Figured You were forgettin' us (Yeah, yeah, yeah)  
Heard my momma prayin' to deliver us  
Waitin' for You to deliver us (Yeah, yeah, yeah)  
Heard the preacher say You would deliver us  
Figured You were forgettin' us (Yeah, yeah, yeah) Lord, deliver us  
Oh, deliver us (Yeah, yeah, yeah)  
Lord, deliver us  
Oh, deliver us (Yeah, yeah, yeah)  
Lord, deliver us  
Oh, deliver us (Yeah, yeah, yeah)  
Lord, deliver us  
Oh, deliver us (Yeah, yeah, yeah)  
Lord, deliver us  
Oh, deliver us  
Lord, deliver us  
Oh, deliver us Our Father, who art in Heaven, hallowed be thy name  
You created, the creatives  
And you know everything that we need  
God give us peace, woo  
God give us peace  
And give us strength, for the journey  
Refresh our minds  
And restore our time  
For death is chasing us when we want life  
And to keep our minds  
Lord please keep our minds  
For we know that everything that lives starts in our minds  
So please, hear us please  
Overwhelm with everything that's over  
Hear your children Father  
Hear your children Father  
Won't You heal your people?  
Heal your people (People) Lord, deliver us  
Oh, deliver us  
Lord, deliver us  
Oh, deliver us  
Lord, deliver us  
Oh, deliver us  
Lord, deliver us

Oh, deliver us  
Lord, deliver us  
Oh, deliver us  
Lord, deliver us  
Oh, deliver us
