

Tiny Dancer (Hold Me Closer)

Ironik

Ow... uh-uh-uh

Hold me close, your just too far
Or I can bring you in, so you're up with the stars
But still down to earth; with my love, we're on mars
I can give you the chance to be what they can't

I just want to be sure,
that you're not the type to just open doors

I've gone so far to be what I can
I've worked so hard to be where I am

So I'll just

Hold you closer and won't let go
I need to know how you feel too
So hold me closer and don't let go
I'm falling so please just don't let go

Elton John and Ironik

Hold me close oh tiny dancer
(hold me closer, just hold me closer)
Count the headlights on the highway
(yeah yeah yeah)

Lay me down in sheets of linen
(Lay me down, just lay me down)

You had a busy day today
(uh uh uh)

Chipmunk

Mr Munk is immaculate, I aint stylish
I'm skylish, yes my levels so up there
My ladies adjacent, I smell her fragrance
And whats under my Armani's' goes up there

Now I'm in the mood, full salute

No bubberoose, jut apple juice
She ain't ever got to tell me hold her close
Cause the girls enjoy getting close up

Munk!

Ironik

Hold you closer and won't let go
I need to know how you feel too
So hold me closer and don't let go
I'm falling so please just don't let go

Elton John and Ironik

Hold me close oh tiny dancer
(hold me closer, just hold me closer)
Count the headlights on the highway

(yeah yeah yeah)
Lay me down in sheets of linen
(Lay me down, just lay me down)
You had a busy day today
Ironik
Uh
and M-U-S-I-C
I've gone so far, I've worked so hard
Listen... uh
I hope you recognize, what you really mean
Without you, I couldn't do the song I sing
I hope you like it too cause its nothing but the truth
Your not number one, but you will be soon
So I'll
Ironik
Hold you closer and won't let go
I need to know how you feel too
So hold me closer and don't let go
I'm falling so please just don't let go
Elton John
Hold me close oh tiny dancer
Count the headlights on the highway
Lay me down in sheets of linen
You had a busy day today
Elton John and Ironik
Hold me close oh tiny dancer
(hold me closer, just hold me closer)
Count the headlights on the highway
(yeah yeah yeah)
Lay me down in sheets of linen
(Lay me down, just lay me down please)
You had a busy day today
(yeah yeah yeah)
