

# Another Way To Die

## Disturbed

The indulgence of our lives  
Has cast a shadow on the world  
Our devotion to our appetite  
Betrayed us all An apocalyptic plight  
More destruction will unfold  
Mother Earth will show her darker side  
And take her toll It's just another way to die There can be no other reason why  
You know we should have seen it coming  
Consequences, we cannot deny  
Will be revealed in time  
Glaciers melt as we pollute the sky  
A sign of devastation coming  
We don't need another way to die  
Can we repent in time? The time bomb is ticking  
And no one is listening  
Our future is fading  
Is there any hope we'll survive? Still, we ravage the world that we love  
And the millions cry out to be saved  
Our endless maniacal appetite  
Left us with another way to die It's just another way to die  
Ooh, can we repent time? Greed and hunger led to our demise  
A path I can't believe we followed  
Black agendas rooted in a lie  
Will we repent in time?  
Species fall before our very eyes  
A world that they cannot survive in  
Left them with another way to die  
Are we dead inside? The time bomb is ticking  
And no one is listening  
Our future is fading  
Is there any hope we'll survive? Still, we ravage the world that we love  
And the millions cry out to be saved  
Our endless maniacal appetite  
Left us with another way to die It's just another way to die Still, we ravage the world that we love  
And the millions cry out to be saved (Millions cry out)  
Our endless maniacal appetite  
Left us with another way to die It's just another way to die  
Ooh, can we repent in time?  
It's just another way to die  
Ooh, can we repent in time?
