

Soap (Stooki Sound Remix)

Melanie Martinez

Think I just remembered something
I think I left the faucet running
Now my words are filling up the tub
Darling, you're just soaking in it
But I know you'll get out the minute
You notice all your fingers pruning up I'm tired of being careful, tip-toe
Trying to keep the water warm
Let me under your skin
Uh oh, there it goes
I said too much, it overflowed
Why do I always spill? I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash my mouth out with soap
I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash my mouth out with soap Think I got myself in trouble
So I fill the bath with bubbles
Then I'll put the towels all away
Should've never said the word "love"
Threw a toaster in the bathtub
I'm sick of all the games I have to play I'm tired of being careful, tip-toe
Trying to keep the water warm
Let me under your skin
Uh oh, there it goes
I said too much, it overflowed
Why do I always spill?
I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash my mouth out with soap I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash my mouth out with soap I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash-wash mouth-mouth with soap I feel it coming out my throat
Guess I better wash my mouth out with soap
God, I wish I never spoke
Now I gotta wash my mouth out with soap
