Terry Allen

(A French Song)

OOOOOOO UI

OOOOOOO UI

OOOOOOO UI

OOOOOOO UI

Well I give up all my sculpturing  
'Cause my life had gone all sad  
An I went to work down at the factory  
It weren't art... but it weren't bad

So

They put me on the assembly line  
Puttin plastic leaves on the plastic palms  
Then they shipped then off the Los Angeles  
Yeah it weren't art... but it weren't wrong

Now some say it's pathetic  
When you give up your aesthetic  
For a blue collar job in the factory  
But all that exhibiting  
Was just too damn inhibiting

For a beer drinking  
Regular guy... like me

OOOOOOO UI

OOOOOOO UI

OOOOOOO UI

OOOOOOO WE
