

Darling One

Susanna Hoffs

Released on 'susanna hoffs' (1996) I hear a voice that fights the wind

The rain that keeps fallin'

And I feel a river rushin' in

Between you and me. You keep lookin'

For somethin' that's not lost

I wish that somehow

I could get you across. Oh, won't you rest your worries

Darling one

Sweetheart

Oh, won't you rest your worries

Darling one

Sweetheart

Sweetheart.

When they told you the big parade

Had long since passed

I saw you waiting there

For the music to come back. Feelin' blue

'cause there's so much to live up to

I wish that somehow

I could give it to you. Oh, won't you rest your worries

Darling one

Sweetheart

Oh, won't you rest your worries

Darling one

Sweetheart

Sweetheart. Oh-oh, woe.

Won't you rest your worries

Darlin' one

Sweetheart

Oh, won't you rest your worries

Darling one

Sweetheart

Sweetheart.
