

I Kno U Workin

Plies

Ol police ass nigga, dawg, I know you workin'
Try'na set a bitch up gon' make a nigga hurt him
That nigga poison, dawg, a bitch need to murk him
What the fuck you mean? Nigga, I know you workin'Ol police ass nigga, dawg, I know you
workin'

Try'na set a bitch up, gon' make a nigga hurt him
That nigga poison, dawg, a bitch need to murk him
What the fuck you mean? Nigga, I know you workin'Da nigga name all through, a bitch black
and white

That nigga told dem crackers shit that they didnt even like
Went fed and got out and act like its alright
Da nigga, you snitched on shit, dem crackers gave him lifeYou know that fuck nigga, da police
and you and da nigga tight

Ridin' wit da fuck nigga like that nigga right
Birds of a feather flock together, yall just alike
And yall kopin' from that fuck nigga and buyin' pipes
How you break bread wit a nigga da you know trife?
These niggas go from real to fuck niggas overnight
You cant flip it now, you a police for life
And stay from 'round me, fuck, nigga you aint my typeOl police ass nigga dawg, I know you
workin'

Try'na set a bitch up gon' make a nigga hurt him
That nigga poison, dawg, a bitch need to murk him
What the fuck you mean? Nigga, I know you workin'Ol police ass nigga dawg, I know you
workin'

Try'na set a bitch up, gon' make a nigga hurt him
That nigga poison, dawg, a bitch need to murk him
What the fuck you mean? Nigga, I know you workin'And how I feel, nigga, I might wack you
on da house

Since you cant seem to close your pussy ass mouth
You got niggas spooked, niggas scared to go to trial
Till you police ass niggas, done came back in style
Set niggas up, you pussy niggas gon' wild
Broke niggas off, takin' niggas from they child
Need to kill all you pussies, put you in a pile
In every clique, its a potential snitch hangin' 'roundGot da fuck from 'round you, niggas moved
out of town

'Cause if they stay too long, nigga you fed bound
Nigga told on his brother to knock his time down
Niggas tell on one of my people, Im gunnin' your ass downOl police ass nigga dawg, I know
you workin'

Try'na set a bitch up gon' make a nigga hurt him

That nigga poison, dawg, a bitch need to murk him
What the fuck you mean? Nigga, I know you workin'Ol police ass nigga dawg, I know you
workin'
Try'na set a bitch up, gon' make a nigga hurt him
That nigga poison, dawg, a bitch need to murk him
What the fuck you mean? Nigga, I know you workin'Tell your son the truth nigga, his dad a
pussy
If you was real, you wouldda got to da time and took it
Instead of being a solider, fuck nigga you turned cookie
You think this snitchin' shit is sweet, you really think you woopin'You gone come home one
night, bitch gon' be in dem bushes
Dem crackers aint gone be able to protect your ass den, pussy
So, while you roamin' these streets nigga, you better be lookin'
For niggas who snitched on your people, dawg, dont give him no coshin'Murk da pussy ass
nigga, naw, dont whoop him
He took your people lives, so, his life need to be taken
Dem choppa bullet through his head, where you need to put him
Dead or livin' fuck niggas, youll forever be pussyOl police ass nigga dawg, I know you workin'
Try'na set a bitch up gon' make a nigga hurt him
That nigga poison, dawg, a bitch need to murk him
What the fuck you mean? Nigga, I know you workin'Ol police ass nigga dawg, I know you
workin'
Try'na set a bitch up, gon' make a nigga hurt him
That nigga poison, dawg, a bitch need to murk him
What the fuck you mean? Nigga, I know you workin'
