

# Is She Really Going Out with Him?

Joe Jackson

Pretty women out walking with gorillas down my street  
From my window I'm staring while my coffee goes cold  
Look over there (where?)  
There, there's a lady that I used to know  
She's married now or engaged or something, so I'm told  
Is she really going out with him?  
Is she really gonna take him home tonight?  
Is she really going out with him?  
'Cause if my eyes don't deceive me, there's something going wrong around here  
Tonight's the night when I go to all the parties down my street  
I wash my hair and I kid myself I look real smooth  
Look over there (where?)  
There, here comes Jeanie with her new boyfriend  
They say that looks don't count for much, if so, there goes your proof  
Is she really going out with him?  
Is she really gonna take him home tonight?  
Is she really going out with him?  
'Cause if my eyes don't deceive me, there's something going wrong around here  
Around here  
But if looks could kill  
There's a man there who is marked down as dead  
'Cause I've had my fill  
Listen you, take your hands from her head  
I get so mean around the scene  
Hey, hey, hey  
Is she really going out with him?  
Is she really gonna take him home tonight?  
Is she really going out with him?  
'Cause if my eyes don't deceive me, there's something going wrong around here  
Around here  
Something going wrong around here  
Something going wrong around here  
Something going wrong around here  
Something going wrong around
