

Looking Hot

No Doubt

Go ahead and look at me
Cause thats what I want
Take a good look wont you please
Cause thats what I want I know you wanna stare
You cant help it and I dont care
So look at me Cause thats what I want
Do you think Im looking hot?
Do you think this hits the spot? How is this looking on me, looking on me?
Do you think Im looking hot?
Do you think this hits the spot? How is this looking on me, looking on me?
Go ahead and stare
And take a picture please, if you need, yeah
I think that says it all Im chasing it and I dont know why
I think about it a lot Better hurry, running out of time
I think about it a lot
I cant tell anymore
I dont know what Im looking for You know what I mean
I think about it a lot
Do you think Im looking hot? Do you think this hits the spot?
How is this looking on me, looking on me?
Do you think Im looking hot? Do you think this hits the spot?
How is this looking on me, looking on me?
Go ahead and stare
And take a picture please, if you need, yeah
I think that says it all
Running on empty But I have had plenty
Youre complimentary but Im just pretending Uniform, hide behind
This is my diversion
Go ahead and start at my ragamuffin
Feel it, so fake it
I dare that you take it
One eye in the mirror
Put on my venera
Could have sworn Its a sure shot
Are you under my convoy
Go ahead and stare at my ragamuffin Do you think Im looking hot?
Do you think this hits the spot? How is this looking on me, looking on me?
Do you think Im looking hot?
Do you think this hits the spot? How is this looking on me, looking on me?
Go ahead and stare
And take a picture please, if you need, yeah
I think that says it all Do you think Im looking hot?

Do you think this hits the spot?
How is this looking on me, looking on me?
Do you think Im looking hot?
Do you think this hits the spot?
How is this looking on me, looking on me?
Do you think Im looking hot?
Do you think Im looking hot?
Do you think Im looking hot?
Do you think Im looking hot?Productor(es)Mark "Spike" Stent
