

# Doctor My Eyes

Jackson Browne

Doctor, my eyes have seen the years  
And the slow parade of fears without crying  
Now I want to understand  
I have done all that I could  
To see the evil and the good without hiding  
You must help me if you can? Doctor, my eyes, tell me what is wrong  
Was I unwise to leave them open for so long 'Cause I have wandered through this world  
And as each moment has unfurled  
I've been waiting to awaken from these dreams  
People go just where they will  
I never noticed them until I got this feeling  
That it's later than it seems Doctor, my eyes, tell me what you see  
I hear their cries, just say if it's too late for me  
Doctor, my eyes, cannot see the sky  
Is this the price for having learned how not to cry
