## Lil Uzi Vert

[Intro]

G.O.A.T. (yah)

That's true! Yah!

Uzi... Uzi... not again

Uzi, wake your ass up[Chorus]

And I ain't gon' lie

I got money and the power, I ain't gon' lie

I got money and the power, I ain't gon' lie

I got money and the power, I ain't gon' lie

I ain't gon' lie

(Lil Uzi Vert)

(Lil Uzi Vert)

[Pre-Verse]

Yeah, yeah, yeah

Yeah, yeah, yeah

And I just wanna let you know

I really really wanna let you know

That I really don't give a fuck what nobody say about me

'Cause you know I'm the one

Yes, I'm the one that really started all this

And you know I changed a lot of you niggas

In a matter of months, I raised a lot of you niggas[Verse 1]

They know I'm the one so it's no way they can stop it

Tried to run off with the swag, I put 'em in pocket

Told my main girl to stop it

She saw me up in a picture, I thought they cropped it (oh my god)

Damn, she think I popped it (oh my god)

I will not give these bitches this dick, let them top it

Woah, we're endin' that topic

In the industry with Dickies all on my Pac shit

[Chorus]

And I ain't gon' lie

I got money and the power, I ain't gon' lie

I got money and the power, I ain't gon' lie

I got money and the power, I ain't gon' lie (yeah, whatchu got?)

I ain't gon' lie[Bridge]

Yeah, the famous life, it'll eat you up alive

It's a game and I put my feelings to the side

Put it to the side, ayy

Yeah, the famous life, it'll eat you up alive

It's a game and I put my feelings to the side[Verse 2]

Time's up, I check my watch every hour

All of my diamonds, they blinding  
I can't fuck her, she a minor  
Time's up, I check my watch every hour  
All of my diamonds, they blinding  
I can't fuck her, she a minor  
Look for your bitch, you can't find her  
I was the one right behind her  
Talking that shit you get tied up  
Don't got enough? Get your grind up  
The reason I got all these bitches and got all these diamonds  
I can't make my mind up  
Mind up, she gave me head, gave that mind up[Chorus]  
And I ain't gon' lie  
I got money and the power, I ain't gon' lie  
I got money and the power, I ain't gon' lie  
I got money and the power, I ain't gon' lie[Outro]
