## I Am Not Alone

## Kari Jobe

When I walk through deep waters I know that You will be with me When I'm standing in the fire I will not be overcomeThrough the valley of the shadow I will not fearI am not alone I am not alone You will go before me You will never leave me In the midst of deep sorrow I see Your light is breaking through The dark of night will not overtake me I am pressing into You Lord, You fight my every battle And I will not fear I am not alone I am not alone You will go before me You will never leave me You amaze meRedeem me You call me as Your own You're my strength You're my defender You're my refuge in the storm Through these trials You've always been faithful You bring healing to my soul I am not alone I am not alone You will go before me You will never leave me
