

# Dead and Gone

## Trivium

I fear I'll die a forgotten man  
Just a number, a grain of sand  
Time won't heal, it's running out on me  
All your pain, it's more than I could take  
What still rages  
Will you keep fighting when I'm gone  
Through the ages  
Will you keep fighting, when I am dead and gone  
Dead and gone  
I hope to die with no regrets  
To leave a mark no one forgets  
Time won't heal, it's running out on me  
All your pain, it's more than I could take  
What still rages  
Will you keep fighting when I'm gone  
Through the ages  
Will you keep fighting, when I am dead and gone  
Dead and gone  
Bearing down, bearing down on me  
The weight of all my insecurities  
Closing in, closing in on me  
The walls collapse, I'll never face the pain  
What still rages  
Will you keep fighting when I'm gone  
What still rages  
Will you keep fighting when I'm gone  
Through the ages  
Will you keep fighting, when I am dead and gone  
Dead and gone  
Dead and gone
