

# One Woman Man

Josh Turner

If you told me that you love me I would feel so proud  
If you? d let me hold you, honey, I? d holler out loud  
I? ll never love another even if I can  
Oh, come to me, baby, I? m a one woman man Won? t you let me, baby, just a kind of hang  
around?  
I? ll always love you, honey, and I? ll never let you down  
I? ll never love another even if I can  
Oh, come to me, baby, I? m a one woman man I? d climb the highest mountain if it reached up  
to the sky  
To prove that I love you I? d jump off and fly  
I? d even swim the ocean from shore to shore  
To prove that I love you a little bit more  
Won? t you let me, baby, just a kind of hang around?  
I? ll always love you, honey, and I? ll never let you down  
I? ll never love another even if I can  
Oh, come to me, baby, I? m a one woman man If you told me that you love me I would feel so  
proud  
If you? d let me hold you, honey, I? d holler out loud  
I? ll never love another even if I can  
Oh, come to me, baby, I? m a one woman man  
Won? t you let me, baby, just a kind of hang around?  
I? ll always love you, honey, and I? ll never let you down  
I? ll never love another even if I can  
Oh, come to me, baby, I? m a one woman man  
Come to me, baby, I? m a one woman man
