

Play It by Ear (Club Mix)

OFFAIAH

(Play it by ear)
(Play it by ear)We kept it for so long
Don't ask me what I do miss
Got all of the freedom
Lies and empty promises
Just look what they have done
Don't wanna hear all of this
We trip on eruptions
The best of all currenciesKeep it cool, I need a line, oh yeah
Like a summer breeze in my hair
When are you in men's size, oh yeah
This could fly or end up nowhere
I cut you right there
Not longing for your stars
Hopes ain't high, but hey
You still might steal this heart
Yeah, let's play it by ear for now, babe
Yeah, let's play it by ear for now, babe(Play it by ear)
(Play it by ear)Don't tell me you need me
I just believe infinite
You test us, the chapters
Skip the gestures, we improvise
If you plan too crazy
Then I might just roll my eyes
No labels, no hurries
That way could get me runnin' wild
Let's get undressed in the dark, oh yeah
Maybe we'll wake up in sun rays
And if not we might just park, oh yeah
Why surprise when we just the sameI cut you right there
Not longing for your stars
Hopes ain't high, but hey
You still might steal this heart
Yeah, let's play it by ear for now, babe
Yeah, let's play it by ear for now, babeI cut you right there
Not longing for your stars
Hopes ain't high, but hey
You still might steal this heart
Yeah, let's play it by ear for now, babe
Yeah, let's play it by ear for now, babe(Play it by ear, yeah)
(Play it by ear)I cut you right there
Not longing for your stars

Hopes ain't high, but hey
You still might steal this heart
Yeah, let's play it by ear for now, babe
Yeah, let's play it by ear for now, babe
Let's okay it by ear, yeah
