

Everywhere I Go

Hollywood Undead

Everywhere I go bitches always know
That Charlie Scene has got a weenie that he loves to show, bitch
Everywhere I go bitches always know
That Charlie Scene has got a weenie that he loves to show Wake up, grab beer, grab rear
Shave beard, put on some scene gear
Gotta get drunk 'til my mom wakes up
Break-up with my girlfriend so I can bang sluts I'm Undead, unfed
Been sleeping on bunk beds since ten
So if I don't booze it I'm gonna lose it
Everybody get to it, do it, get ruined Let's get this party started
Let's keep them 40's poppin', what?
So just get buzzed and stay fucked up
We'll keep them panties droppin'
Let's get this party started
Let's keep them 40's poppin', what?
So just get buzzed and stay fucked up
We'll keep them panties droppin' When I start drinking
My dick does all my thinking
Hoes want to be scene with me
And I like their big thick titties D-Cups with extra filling
Take it out let me lick it quickly
Calm down it's just a hickie
I'll blame it on this whiskey sipping, gets me tipsy Drink fast and enjoy your buzz
Take back streets to avoid the fuzz
I wanna take you home but your friends won't let ya'
I got a 40 in my Ford Fiesta
Buy beer or pay the rent
My signing bonus was quickly spent
So I'll beat my meat like I'm a fuckin' butcher
And I'll punk the pussy like I'm Ashton Kutcher Let's get this party started
Let's keep them 40's poppin', what?
So just get buzzed and stay fucked up
We'll keep them panties droppin' Let's get this party started
Let's keep them 40's poppin', what?
So just get buzzed and stay fucked up
We'll keep them panties droppin' Let's get this party jumpin'
Let's see some 40 chuggin'
I wanna see your booty rubbing
Against my dick when I start buzzin' Come on girls I wanna see you drinkin'
I wanna see your brain start shrinkin'
Make a move, I saw you winkin'
Drunken pussies what I'm thinkin' I don't give a fuck if you're drunk or not

Turn it up loud feel the ambiance
Grab two hoe's and do some body shots
I wanna party all night until they call the cops Fuck a wristband, let's all do a keg stand
I'mma teach you about the chong hittin' up the beer bong
When the cops show up they're gonna get the finger
And I don't give a fuck cause I'm the designated drinker Let's get this party started
Let's keep them 40's poppin', what?
So just get buzzed and stay fucked up
We'll keep them panties droppin'? Let's get this party started
Let's keep them 40's poppin', what?
So just get buzzed and stay fucked up
We'll keep them panties droppin'
Let's get this party started
Let's keep them 40's poppin', what?
So just get buzzed and stay fucked up
We'll keep them panties droppin'
Let's get this party started
Let's keep them 40's poppin', what?
So just get buzzed and stay fucked up
We'll keep them panties droppin'
Everywhere I go bitches always know
That Charlie Scene has got a weenie that he loves to show, bitch
Everywhere I go bitches always know
That Charlie Scene has got a weenie that he loves to show
