

# Ride Captain Ride (Single/LP Version)

## Blues Image

Seventy-three men sailed up from the San Francisco Bay  
Rolloff of their ship, and here's what they had to say  
"We're callin' everyone to ride along to another shore  
We can laugh our lives away and be free once more" But no one heard them callin', no one  
came at all  
'Cause they were too busy watchin' those old raindrops fall  
As a storm was blowin' out on the peaceful sea  
Seventy-three men sailed off to history Ride, captain ride upon your mystery ship  
Be amazed at the friends you have here on your trip  
Ride captain ride upon your mystery ship  
On your way to a world that others might have missed  
Seventy-three men sailed up from the San Francisco Bay  
Rolloff of their ship, and here's what they had to say  
"We're callin' everyone to ride along to another shore  
We can laugh our lives away and be free once more"  
But no one heard them callin', no one came at all  
'Cause they were too busy watchin' those old raindrops fall  
As a storm was blowin' out on the peaceful sea  
Seventy-three men sailed off to history Ride, captain ride upon your mystery ship  
Be amazed at the friends you have here on your trip
