

# Swimmin' In Sunshine

Billy Currington

(feat. Brett Beavers, Jim Beavers) I only slept for a couple of hours  
In the back of my buddy's truck  
I must be runnin' on solar power  
'Cause I'm ready to crank back up And the boys are all bangin' on cheap guitars  
And the girls are all rockin' their bikini tops  
And that big ball's way up in the sky  
My baby says "Hey I think I wanna get wet"  
So we hots and hop into the waters' edge  
Hey, it's so good to be alive  
Swimmin' in sunshine  
Swimmin' in sunshine  
There's a hole in my beach towel  
There's a hole in the atmosphere  
But we got the shade of the lifeguard tower  
Yeah, that's where we keep the beer And the boys are all bangin' on cheap guitars  
And the girls are all rockin' their bikini tops  
And that big ball's way up in the sky My baby says "Hey I think I wanna get wet"  
So we hots and hop into the waters' edge  
Hey, it's so good to be alive  
Swimmin' in sunshine  
Swimmin' in sunshine  
Havin' a good time  
Swimmin' in sunshine Yeah I know Monday always comes again  
So I just wanna soak it in  
And the boys are all bangin' on cheap guitars  
And the girls are all rockin' their bikini tops  
And that big ball's way up in the sky  
My baby's into lockin' in a Coppertone tan  
So I'm so emotional she did with both of my hands  
Hey, its so good to be alive  
Swimmin' in sunshine  
Swimmin' in sunshine  
Havin' a good time  
Swimmin' in sunshine La da da da da da da da  
La da da da da da da da da da  
Swimmin' in sunshine
