

Roundabout

Yes

I'll be the roundabout
The words will make you out 'n' out
I spend the day your way
Call it morning driving thru the sound and in and out the valley
The music dance and sing
They make the children really ring
I spend the day your way
Call it morning driving thru the sound and in and out the valley
In and around the lake
Mountains come out of the sky and they stand there
One mile over we'll be there and we'll see you
Ten true summers we'll be there and laughing too
Twenty four before my love you'll see I'll be there with you
I will remember you
Your silhouette will charge the view
Of distance atmosphere
Call it morning driving thru the sound and even in the valley
In and around the lake
Mountains come out of the sky and they stand there
One mile over we'll be there and we'll see you
Ten true summers we'll be there and laughing too
Twenty four before my love you'll see I'll be there with you
Along the drifting cloud the eagle
searching down on the land
Catching the swirling wind the sailor sees the rim of the land
The eagle's dancing wings create as weather spins out of hand
Go closer hold the land feel
partly no more than grains of sand
We stand to lose all time a thousand answers by in our hand
Next to your deeper fears we stand surrounded by a million years
I'll be the roundabout
The words will make you out 'n' out
I'll be the roundabout
The words will make you out 'n' out
In and around the lake
Mountains come out of the sky and they stand there
Twenty four before my love and I'll be there
I'll be the roundabout
The words will make you out 'n' out
You spend the day your way
Call it morning driving thru the sound and in and out the valley
In and around the lake
Mountains come out of the sky and they stand there
One mile over we'll be there and we'll see you
Ten true summers we'll be there and laughing too
Twenty four before my love you'll see I'll be there with you
